

THE POTTS FAMILY
BLEASDALE
EST 1850
LANGHORNE CREEK

2003 MALBEC

WINE: Malbec

**GRAPE
VARIETY:** Malbec

**WINE
REGION:** Langhorne Creek

Alcohol: 14.5%

Preservative (220) Added.

Approx. 8.0 Standard Drinks.

TASTING NOTES:

Malbec is rarely seen as a varietal wine instead usually being used as a blender adding softness and depth to other varieties. In Langhorne Creek however, Malbec performs well by itself and this is an excellent example of what the variety can produce. In its early years the vibrant primary fruit flavours of plums, red berries and spices make the wine delightful drinking. Velvety smooth tannins also ensure a soft, lush finish making for ideal early consumption.
