

## *2001 Shiraz Cabernet Sauvignon*

Bleasdale Vineyards is Langhorne Creek's founding winery and Australia's second oldest family-owned and operated winery, established in 1850 by English migrant Frank Potts who arrived in South Australia on the Buffalo in 1836. The vineyards are situated on the flood plains of the Bremer river, which runs parallel to Langhorne Creek. Frank Potts left behind him a wonderful legacy that continues today. His sons and grandsons have operated and built up the winery and Bleasdale is solely owned and operated by fourth and fifth generation members of the Potts family.
